

Hand Cleaners Program

Your hands are your team's most essential tools for getting the job done.

Your employees are exposed to a wide variety of soiling, potential irritants and temperature swings. This can lead to visible skin problems ranging from red, sore, chapped skin through to serious instances of dermatitis.

Equip your facilities with the right hand soaps & lotions for your workplace, and never run out.

HOW IT WORKS

1 Choose your assortment

When you purchase a kit, dispensers are 100% free.

Your challenges are unique and those kits are tailored to meet your specific needs.

**UP TO
\$275
IN SAVINGS**

2 We coordinate the setup

Your representative will coordinate with you the installation of dispensers and label each of them with a colour-coded system.

Upon request, we will install a free hand hygiene poster.

**Our service,
one step ahead.™**

3 Save money on refills

We will restock your dispensers whenever necessary, so you never run out. You will get a 5% discount on all your subsequent replenishment purchases.
